

FC/1 LOT#K268Q9 FERRIC CHLORIDE 3.8 MOLAL -2OZ

# Certificate Of Analysis

Description: FERRIC CHLORIDE 3.8 MOLAL -2OZ  
Part Number: FC/1  
Lot Number: K268Q9  
Mfg Date: 09/09/2026  
Expiration Date: 09/09/2029

| Test                                 | Specifications                                | Results                                       |
|--------------------------------------|-----------------------------------------------|-----------------------------------------------|
| Label Inspection - QAL-031           | Conforms                                      | Conforms                                      |
| Capping - QAL-031                    | Conforms                                      | Conforms                                      |
| Verify Labels - QAL-031              | Conforms                                      | Conforms                                      |
| Assay by Titration - QAL-066         | 12.24 - 14.96%                                | 13.68%                                        |
| Odor - QAL-062                       | Odorless                                      | Odorless                                      |
| Identification: Color - QAL-062      | Brown                                         | Brown                                         |
| Identification: Appearance - QAL-062 | Liquid, Free of any visible lumps or sediment | Liquid, Free of any visible lumps or sediment |
